**Re: Reference Letter**

To Whom It May Concern:

Milestone Property Management Limited is a private real estate management and development company with a portfolio of over ten million square feet of properties. Last fall, we started planning on a LEED silver certified 450,000 square feet headquarters for our tenant, Apollo Health and Beauty Care. Claudio was hired on a contract basis as project manager to help guide the design and construction process.

We selected Claudio based on his extensive project management/construction experience and his expertise in design-build. We find him easy to work with, extremely organized and professional in managing the project. His dedication in bringing this project to completion is quite evident and we would not hesitate to recommend him for other projects of this size and complexity.

Sincerely,

**MILESTONE PROPERTY MANAGEMENT LIMITED**
