To whom it may concern:

I have worked with Pearce McCluskey Architects (formerly Akitt Swanson Pearce) since the mid 80's on many projects. The projects have consisted of industrial warehousing and distribution centers, manufacturing plants and multi storey office buildings.

Working with Pearce McCluskey team has consistently been an enjoyable positive experience.

The level of cooperation and coordination and dedication was excellent.

Please feel free to contact me for any further information.

Yours Truly,

Claudio Cavalieri

President
