TO WHOM IT MAY CONCERN:

Re: Claudio Cavalieri

It is with pleasure that I write this letter of recommendation for Claudio Cavalieri who provided project management services on a consulting basis to South Kitchener Holdings, ULC (Trammell Crow Company) for a major construction project undertaken for a Trammell Crow tenant in Kitchener, Ontario.

Claudio performed all aspects of his role competently and with commitment and enthusiasm. He demonstrated the ability to work under pressure and to plan and organize successfully to meet tight deadlines. His close attention to detail resulted in the project being completed on time and below budget. Claudio possesses strong interpersonal and communication skills which allowed him to develop good working relationships with the construction contractors, the tenant and members of the management team.

Claudio proved to be a great asset to this company and I would not hesitate to highly recommend him. Should you require any further information please do not hesitate to contact me.

Yours truly,

TRAMMELL CROW COMPANY
